Wright Investors' Service, Inc. Recognized as Top Guns Manager by Informa Investment Solutions

Greenwich, Connecticut, August 22, 2016 – Wright Investors' Service, Inc. announced today that the Wright Mortgage Backed Securities Fixed Income strategy has been recognized with Top Guns status by Informa Investment Solutions' PSN manager database for the quarter, 1-year, 3-year and 5-year ended June 30, 2016.

"Our disciplined process for investing in U.S. Government securities by maximizing yield while managing duration and convexity has delivered consistently strong performance to our Mortgage Backed Securities Strategy" – **Anthony van Daalen, CFA, Co-President & Chief Investment Officer of Global Fixed Income.**

Utilizing a proprietary blend of Informa Investment Solutions' top priority performance screens, PSN Top Guns ranks products in six proprietary star categories in over 50 universes. This is a highly anticipated quarterly ranking and is widely used by institutional asset managers and investors.

Top Guns receive a star rating in the range from one to six. The stars indicate the continued performance over length of time. The Wright Mortgage Backed Securities Fixed Income strategy was named a Top Gun with a star rating of 4.

4-Star Category products must have an R-Squared of 0.80 or greater relative to the style benchmark for the recent five-year period. Moreover, products must have returns greater than the style benchmark for the three latest three-year rolling periods. The top ten returns for the latest three-year period then become the TOP GUNS.

Wright's Mortgage Backed Securities Fixed Income strategy aims to outperform the performance of the Barclays GNMA Index on a risk-adjusted basis by investing in U.S. Government securities with a focus on valuations and investment timing.

"The PSN Top Guns ranks products in six proprietary star categories in over 50 universes," said **Leno Toich, Managing Director of Informa Investment Solutions.** "This data-driven award recognizes elite performers on the leading investment manager database in North America and provides high-level exposure to hundreds of institutional clients and investors across our platform."

WRIGHT INVESTORS' SERVICE, INC. MORTGAGE BACKED SECURITIES FIXED INCOME

PERIODS ENDING JUNE 30, 2016

	Quarter	1 Year	3 Years	5 Years
Wright Mortgage Backed Securities	1.75	4.8%	3.9%	3.5%
Barclays Mortgage Backed*	1.1%	4.3%	3.8%	3.0%

For example, over a five year period an annual Advisory fee of 0.5% would reduce the cumulative return of a portfolio (assuming an investment return of 2.5% per quarter) from 63.86% to 59.91%.

(*) *Style Benchmark - Investors cannot directly invest in an index (benchmark) and unmanaged index returns do not reflect any fees, expenses or sales charges. While Wright believes that the Barclays Mortgage Backed Index is relevant to evaluating Wright Mortgage Backed Securities Fixed Income, it is for illustration and discussion purposes only and should not be relied upon.*
