

Wright Major Blue Chip Fund

Inception	Assets	CUSIP	Ticker
7/22/85	\$12.9 mil	98235F305	WQCEX

Investment Objective

Long term total return consisting of price appreciation plus income.

Investment Strategies

The fund invests primarily in larger companies on the Approved Wright Investment List which meet or exceed the fundamental standards of investment quality established by Wright Investors' Service, or are leaders in their industry, and which have a superior investment outlook. The fund attempts to outperform the S&P 500 index.

Suitable For

The fund is suitable for investors seeking common stock investment for total investment return (consisting of price appreciation plus income) or as a core equity portfolio for those using several asset classes.

Risks

Stock prices fluctuate in response to general market and economic conditions and to the activities of individual companies. Price fluctuations can be dramatic in the short term but over the long term the average market value has historically increased.

Portfolio Holdings

A control-weighted portfolio of companies selected from the Approved Wright Investment List on the basis of quantitative formulae which take into consideration factors such as over/under valuation and compatibility with current market trends. Holdings are broadly diversified, and limited to 5% of the fund's assets in securities of any one issuer, and 25% in any one industry group. See other side for a listing of current holdings.

Investment Advisor

Wright Investors' Service is a leading international investment management and advisory firm with more than 50 years experience. Wright manages assets for bank trust departments, institutions, professional fiduciaries, and individuals, as well as mutual funds.

Past Performance

Below are the fund's annual total returns (%) for each of the last 10 years.

Average Annual Total Returns for the periods ending 9/30/17	1 Yr.	3 Yrs.	5 Yrs.	10 Yrs.	Since Inception
	24.37%	9.21%	13.62%	5.41%	8.56%

WQCEX has no sales charge and its annual expense ratio is limited to 1.40% by contractual agreement with the Adviser that, if not renewed, will expire on April 30, 2018. If this agreement were not in place, the expense ratio would be 2.16%.

Total Return is the % return of an initial investment made at the beginning of the period to the ending redeemable value assuming all dividends and distributions are reinvested. Remember, past performance is not predictive of future results. Investment return and principal value of an investment will fluctuate so that an investor's shares, when redeemed, may be worth more or less than their original cost.

Wright mutual funds are offered through Wright Investors' Service Distributors, Inc., a wholly owned subsidiary of The Winthrop Corporation.
