Wright Investors' Service, Inc. Named Top Guns Manager by Informa Investment Solutions

Shelton, Connecticut, February 19, 2019 – Wright Investors' Service, Inc. announced today that the Wright Core Aggregate Fixed Income strategy has been awarded a Top Guns designation by Informa Investment Solutions' PSN manager database, North America's longest running database of investment managers. Wright Core Aggregate Fixed Income received Top Guns Manager of the Decade for the period ended December 31, 2018.

"Our disciplined process for identifying outstanding companies and attractive corporate bond valuations, while managing duration and mortgage-backed security convexity, has delivered consistently strong performance to our Core Aggregate Fixed Income Strategy" – **M. Anthony E. van Daalen, CFA, President & Chief Investment Officer of Global Fixed Income.**

Through a combination of Informa Investment Solutions' proprietary performance screens, PSN Top Guns ranks products in six proprietary categories in over 50 universes. This is a well-respected quarterly ranking and is widely used by institutional asset managers and investors. Informa Investment Solutions is part of Informa Financial Intelligence, a leading provider of critical decision-making solutions and custom services to financial institutions.

Top Guns firms are awarded a rating ranging from one to six stars, with the number of stars representing continued performance over time. Wright Core Aggregate Fixed Income strategy was named a Top Guns Manager of the Decade in the All/Variable Maturities Universe.

Manager of the Decade: Products must have an R-Squared of 0.80 or greater relative to the style benchmark for the latest 10-year period. Moreover, products must have returns greater than the style benchmark for the latest 10-year period and also Standard Deviation less than the style benchmark for the latest ten-year period. At this point, the top10 performers for the latest 10-year period become the PSN Top Guns of the Decade.

Wright's Core Aggregate Fixed Income strategy aims to outperform the performance of the Bloomberg Barclays Aggregate Index on a risk-adjusted basis by investing in government and high quality corporate bonds with a focus on valuations and investment timing.

“PSN Top Guns, which ranks products in six categories in over 50 universes, is a go-to resource for institutional asset managers and investors in their decision-making process,” said **Ryan Nauman, Vice President, product and market strategist at Informa Financial Intelligence**. “Congratulations to Wright Investors’ Service, Inc. on being named a PSN Top Gun.
